Chef Maria Lynn
Catering By Maria
3 Avondale Lane
Aberdeen, NJ 07747

Dear Chef Maria;

Words are difficult to find that can truly express my amazement with your participation on our most important event of the year! My first words are **"Thank You!" And they don't seem nearly enough!**

Your flavors, precision, presentation--- your attentive, professional and impeccable staff--- your superior direction and presence and your incredible on-site manager all add up to the single most impressive caterer with whom I've had the pleasure of working thus far!

You are the reason our event was so perfect. I was honored to be on a team with your company!

The reason my clients and their guests are still raving today, 9 days after the event, is simply, absolutely and undeniably you and your team! Thank you for making the event sparkle so brilliantly. I am in your debt.

Deepest gratitude,
